Additional Information:

Casa Estudio Chaminade nació el año 2009, en una sede social de un barrio carenciado de la ciudad de Linares, para nivelar los estudios de niños y jóvenes afectados de su derecho a la educación. En octubre del año 2017 contamos con infraestructura propia, permitiéndonos en abril de 2018 ser reconocidos por el Estado como centro educativo, para atender a jóvenes y adultos por medio de la nivelación escolar. En el presente tenemos alumnos entre los 15 a 70 años, convirtiéndose en el colegio en una casa donde se respira aire de familia. Nuestro centro educativo hoy es un lugar que tiene limitaciones especiales para personas en situación de alta vulnerabilidad social, y que ven en la educación un medio para salir del círculo de la pobreza.
