Additional Information El Colegio Nuestra Señora y Madre del Carmen, de Melipilla es un colegio marianista que quiere hacer vida el espíritu de familia, con una educación integral de calidad, ofreciendo formación técnica profesional a sus más de 1000 estudiantes. El desafío para el año venideros es entregar, además de formación científico humanista para responder a las necesidades de la comunidad. Nuestro Colegio ha ido comprometiéndose en una educación cada vez más inclusiva. Contamos con un programa de integración escolar para estudiantes con necesidades educativas especiales: niños y jóvenes sordos, visión reducida, espectro autista y otros.

Additional Information Casa Estudio Chaminade nació el año 2009, en una sede social de un barrio carenciado de la ciudad de Linares, para nivelar los estudios de niños y jóvenes afectados de su derecho a la educación. En octubre del año 2017 contamos con infraestructura propia, permitiéndonos en abril de 2018 ser reconocidos por el Estado como centro educativo, para atender a jóvenes y adultos por medio de la nivelación escolar.

En el presente tenemos alumnos entre los 15 a 70 años, convirtiéndose en el colegio en una casa donde se respira aire de familia. Nuestro centro educativo hoy es un lugar que tiene limitaciones especiales para personas en situación de alta vulnerabilidad social, y que ven en la educación un medio para salir del círculo de la pobreza.

Additional Information Nuestro Colegio brinda una educación integral y de calidad, que abarca todas las dimensiones de la persona:

Nos preocupamos de la formación en el **ASPECTO BIOLÓGICO** , haciendo que se valore al cuerpo, que se le cuide y preserve con el deporte y buenos hábitos.

Nos preocupamos del **ASPECTO PSICOLÓGICO** , formando personas con equilibrio y autoestima, con seguridad en sí mismas.

Nos preocupamos del **ASPECTO SOCIAL** , formando personas que se relacionan bien con los demás y trabajan en equipo, teniendo un compromiso con el desarrollo de la familia y la sociedad, con gran sensibilidad social.

Nos preocupamos por el **ASPECTO INTELECTUAL** , formando jóvenes capaces de investigar, opinar, resolver problemas y, en general, aprender por sí mismos.

Y principalmente, nos preocupamos de formar el **ASPECTO ESPIRITUAL** , para una buena formación interior del alumno, capaz de amar a Dios, a su prójimo ya sí mismo.

Additional Information St. Chaminade School, established in 2012 and recognized by the Government of Karnataka, stands as a beacon of hope and opportunity. Located within 35 kilometers of Bangalore City, the school was founded with a profound mission: to provide high-quality English-medium, co-educational opportunities to the children of rural migrants and those residing in underserved areas like LR Nagar and Austin Town.

Managed by the Marianist Trust, St. Chaminade is dedicated to bridging the educational gap for poor and marginalized students, empowering them to join the mainstream through academic excellence and character formation.

A Holistic Approach to Education

At St. Chaminade, we believe that education extends far beyond the classroom. Our curriculum is integrated with a robust range of extracurricular and co-curricular activities designed to foster "Wholistic Learning." We aim to nurture minds that are not only intellectually sharp but also socially responsible and culturally grounded.

Additional Information St. Joseph School, Budakata was established in the year 2017 with the objective of providing quality English medium education to children from rural and economically disadvantaged backgrounds. The school is located in Budakata Village, under Kutra Block, in Sundargarh District of Odisha, approximately 45 kilometers from Sundargarh town. The area is predominantly rural, with limited educational infrastructure and minimal access to modern learning facilities. Prior to the establishment of the school, a detailed local survey revealed the absence of an English medium institution in and around Budakata village. As a result, students from this region faced significant challenges in pursuing higher education due to poor academic foundations, lack of exposure, and inadequate transportation facilities. Most families in the area belong to economically weaker sections and were unable to afford standard education in distant towns. In response to these challenges, St. Joseph School, Budakata was founded with a strong commitment to holistic education, inspired by the Marianist philosophy of education, which emphasizes academic excellence, moral values, discipline, and service to society. The school aims to nurture responsible, confident, and value-oriented individuals, especially among the marginalized sections of society. The school currently offers education from Nursery to Class X, striving to create an inclusive learning environment that promotes intellectual, moral, spiritual, and social development. Through dedicated efforts, the institution continues to serve as a center of learning and hope for the surrounding communities.

Additional Information Chaminade High School has been serving the Long Island community since its founding in 1930. The school is owned and operated by the Society of Mary, the Marianists, and is named after Blessed William Joseph Chaminade. Blessed Chaminade founded the order as a priest working to evangelize post-revolutionary France. Our 1,700 men study a rigorous co-curricular, liberal-arts curriculum in an atmosphere that emphasizes the development of Christian community and education of the heart. That program consists of four years of the core subjects, physical education, three years of fine arts, and one year of health. Chaminade graduates are fully prepared for the most demanding of college curricula, and, each year, 100% of Chaminade graduates attend colleges, universities, prep schools, and service academies. More than 90% of Chaminade students are engaged in one or more school activities, and more than half participate on interscholastic athletic teams.

Additional Information The Mission of Kellenberg Memorial is to support our students as they journey in their Catholic faith and help them develop both the insight and the resources to build the community around them by living the Gospel of Jesus Christ in their everyday lives. Kellenberg Memorial instills a love of learning while challenging the students academically. The Academic goal is to cultivate critical thinking skills, analytical skills, and intellectual curiosity using a time tested liberal arts curriculum. Kellenberg Memorial promotes community both inside and outside of the classroom. That community is deeply rooted in serving the needs of others. The commitment to serve is symbolic of our Blessed Mother, Mary whose service to the Church opens up our relationship to Jesus Christ, her son.

Additional Information St. Martin de Porres Marianist School extends Marianist education to children beginning with pre-school. We strive to create a school that is a vibrant and faithful Catholic community where children and their teachers grow in an atmosphere of loving concern. St. Martin de Porres Marianist School is a family where children from different backgrounds and parishes learn together what it means to share “one faith, one Lord, and one baptism.” St. Martin de Porres is a school thoroughly rooted in the Marianist tradition of Chaminade and Kellenberg Memorial, but always open to the new possibilities offered by this mission. Just as St. Martin strove to build new relationships, our school offers new ways for parishes and a religious community to work together. With the intercession of Blessed William Joseph Chaminade, the Marianists pray that St. Martin de Porres Marianist School will not only continue to revitalize Catholic education in Uniondale and Hempstead, but in our other schools and throughout the entire diocese.

Additional Information Daniel J. Gross Catholic School is a faith and family based community committed to developing Christian leaders through educational excellence in the Marianist tradition. We strive to instill the five Characteristics of Marianist Education in everything that we do. Our motto is "Dux Esto" which we translate from Latin to English as "Be a leader". We produce faith-filled leaders at Gross Catholic. Since 1968, Gross Catholic has been committed to helping students maximize their potential. We serve and challenge every student by meeting their needs. We offer a rigorous college preparatory curriculum which includes AP/Honors/Dual Enrollment classes, and expanded Academies. We also provide academic support and strategic tutoring for students who may need extra assistance. Student involvement through activities, athletics, campus ministry, and apostolic outreach in our community is paramount. We are proud to be a co-ed Archdiocesan Catholic high school guided by the Marianist tradition. At Gross Catholic, we not only ask our graduates what they have learned, but who they have become.

Additional Information For 60 years, Archbishop Moeller High School has been working toward our Mission-Catholic Marianist. Forming our Students into Remarkable Men. These are young men of faith, academic excellence, and character. We pair the five characteristics of a Marianist education with our unique approach to education that recognizes that young men learn differently. Our educational philosophy is REALearning; Relational, Experiential, and Authentic Learning. With new state-of-the-art classrooms that break the mold of rows of students, our mission trips that teach our young men about our neighbors and our athletic programs that value sportsmanship and hard work, we've made the commitment that places us as the leaders in educating young men. There's something here for every young man. Our House System gives him over 100 leadership opportunities, Campus Ministry gives him the opportunity to grow as a Catholic and our faculty is dedicated to his success both in and out of the classroom. There are over 40 co-curriculars that range from the chess team to the pickleball club. Today, Moeller High School maintains an enrollment of over 900 young men with a student to teacher ratio of 12:1.

Additional Information All Things that Make Each of Us Different is also what Makes Us Beautiful in the Eyes of God. Since the inception of Chaminade Julienne's predecessor schools dating to 1850, the heart of the school's mission has been formed around embracing the gift of inclusion. The founders of CJ's sponsoring orders - Saint Julie Billiart (Sisters of Notre Dame de Namur, SNDdeN) and Blessed William Joseph Chaminade (The Marianists) - were each unwavering in their commitment to establishing and fostering a community based on compassion and understanding that exemplify the value of inclusivity. Grounded in the belief that every individual is a unique, valued and cherished child of God, the founders' wisdom is at the core of the school's charism, and is an integral part of the Hallmarks of a Notre Dame Learning Community and the Characteristics of a Marianist Education.

Additional Information For over 175 years St. Anthony School (SAS) has been educating Maui students. Originally founded under the guidance of members of the Sacred Hearts of Jesus and Mary, the Society of Mary (Marianists), Maryknoll Sisters, and the St. Joseph Sisters of Carondelet orders have also served our school community. Today SAS continues to proudly serve the people of Maui County as a Marianist sponsored K-12 Catholic school where all are welcomed in the spirit of aloha. We are committed to serving mind, body and spirit in a nurturing and challenging academic environment that inspires each student to be their individual best for the world. We envision SAS as a thriving top school of choice where our students reach their full potential and make a positive, meaningful contribution to our campus, our community and our world. Our core values encompass excellent student learning, family, friendship, integrity, faith and generosity. As a Marianist sponsored school, SAS exemplifies the characteristics of Marianist Education. Educate for formation in faith; provide an integral, quality education; educate in family spirit; educate for service, justice, and peace; and educate for adaptation and change. Through rigorous academic instruction, a broad range of extracurricular activities, and development and nurturing sense of community, we strive to inspire minds, ignite faith, and empower leaders.
