## **Distribution of Funds for the *Marianist Solidarity Fund and the Marianist Formation Fund* 2024**

Dear Brothers,

At the meeting of the General Council on January 26, 2024, we approved the grants from the Formation Fund for 2024 and, after having consulted with the Extended General Council, we approved the grants from the Solidarity Fund for 2024.

The General Council would like to express its gratitude and appreciation for the contributions to both funds from the Units of the Society. In addition, we are also grateful to those Units who have pledged contributions to the Madeleine Endowment Fund for the coming year. We realize that there are many other demands for funds, on the local level, and yet the Units continue to be very generous. So, we are particularly grateful to those who, despite these demands, consider global solidarity with other Units, and projects beyond their borders, a priority. On behalf of the beneficiaries, both those in the SM, and those we serve, we say a strong “thank you!”

On the following pages, you will find a detailed summary of the contributions and grants for this year.

May the Lord bless and Mary guide all those who have given to this year’s funding, and, in a particular way, the many persons will benefit from these gifts!

Michael J. McAward, SM  
Assistant General for Temporalities
